Brainard, Harkus, and St. George

## MSU Physics MAP Program Mentoring Agreement Form

*We are voluntarily entering into a mentoring relationship from which we both expect to benefit. We both expect a rewarding experience in which we will spend most of our time together working towards our agreed upon goals. To help accomplish this, we have mutually agreed upon the terms and conditions of our relationship as outlined in this agreement.*

### Objectives

We hope to achieve:

---

---

---

---

To accomplish this we will:

---

---

---

---

### Confidentiality

Issues that are off-limits in our relationship include:

Any sensitive issues we discuss will be held in confidence.

### Frequency of Meetings

We will try to meet \_\_\_\_\_ times each month. If we cannot attend a scheduled meeting, we will notify our partner and try to reschedule. We will discuss specific times that we are not available, and respect each others' boundaries with regards to availability.

### Duration

We will continue our mentoring relationship as long as we are both comfortable or until: \_\_\_\_\_

### Graceful Exit Clause

If one of us needs to terminate the relationship for any reason, we agree to abide by the decision of our partner.
